§ 2702.5 Fees applicable—categories of requesters.

(a) When documents are requested for commercial use, requesters will be assessed the full direct costs of searching for, reviewing for release, and duplicating the records sought.

(b) When records are being requested by educational or noncommercial scientific institutions whose purpose is scholarly or scientific research, and not for commercial use, the requester will be assessed only for the cost of duplicating the records sought, but no charge will be made for the first 100 paper pages reproduced.

(c) When records are being requested by representatives of the news media, the requester will be assessed only for the cost of duplicating the records sought, but no charge will be made for the first 100 paper pages reproduced.

(d) For any other request not described in paragraphs (a) through (c) of this section, the requester will be assessed the full direct costs of searching for and duplicating the records sought, except that the first two hours of manual search time and the first 100 paper pages of reproduction shall be furnished without charge.

(e) For purposes of paragraphs (b) through (d) of this section, whenever it reasonably appears that a requester, or a group of requesters acting in concert, is attempting to break down a single request into a series of requests relating to the same subject matter for the purpose of evading the assessment of fees, such requests will be aggregated and fees assessed accordingly.

§ 2702.6 Fee schedule.

(a) *Search fee*. The fee for searching for information and records shall be the salary rate (that is, basic pay plus

16%) of the employee making the search. This hourly rate is listed on the Commission's Web site at <http://www.fmshrc.gov>. Fees for searches of computerized records shall be the actual cost to the Commission, but shall not exceed \$300 per hour. This fee includes machine time and that of the operator and clerical personnel. If search charges are likely to exceed \$50, the requester shall be notified of the estimated amount of fees, unless the requester has indicated in advance his willingness to pay fees as high as those anticipated. Fees may be charged even if the documents are not located or if they are located but withheld on the basis of an exemption.

(b) *Review fee*. The review fee shall be charged for the Chief FOIA Officer's initial examination of documents located in response to a request in order to determine if they may be withheld from disclosure, and for the deletion of portions that are exempt from disclosure, but shall not be charged for review by the Chairman or the Commissioners. See § 2702.3. The review fee is the salary rate (that is, basic pay plus 16%) of the Chief FOIA Officer or the employee designated to perform the review. This hourly rate is listed on the Commission's Web site at <http://www.fmshrc.gov>.

(c) *Duplicating fee*. The copy fee for each page of paper up to 8½" × 14" shall be \$.15 per copy per page. Any private sector services required, including the fee for copying photographs and non-standard documents, will be the actual direct cost incurred by the Commission. For copies prepared by computer, such as tapes or printouts, the Commission shall charge the actual cost, including operator time, of production of the tape or printout. For other methods of reproduction or duplication, the Commission will charge the actual direct costs of producing the document(s). If duplication charges are likely to exceed \$50, the requester shall be notified of the estimated amount of fees, unless the requester has indicated in advance his willingness to pay fees as high as those anticipated.
